 **Ziptrak**® Interior  
Infinite Possibilities, Uniquely Yours.

**Go Beyond *Status Quo.***

Clank!  
Clank!  
Clank!

Say goodbye to rattling blinds and billowing curtains with light leakage.

Eliminate the risk of strangulation associated with chains and cords.

Trusted to provide superior protection and light control, Ziptrak® has adapted its globally popular outdoor system for the interior market.

# Reshaping the Interior Furnishing Industry.

Ziptrak® Interior blinds provide excellent protection, in a streamlined design; no messy cords or chains required. Choose from manual Superspring® or motorised options, and a wide variety of fabrics.

Superior Light Control

Ventilation Without Rattling

Protection from Flying Pests

Easy to Operate

Exquisite Designs & Fabric

Manual or Motorised

Exceptional Quality & Robustness

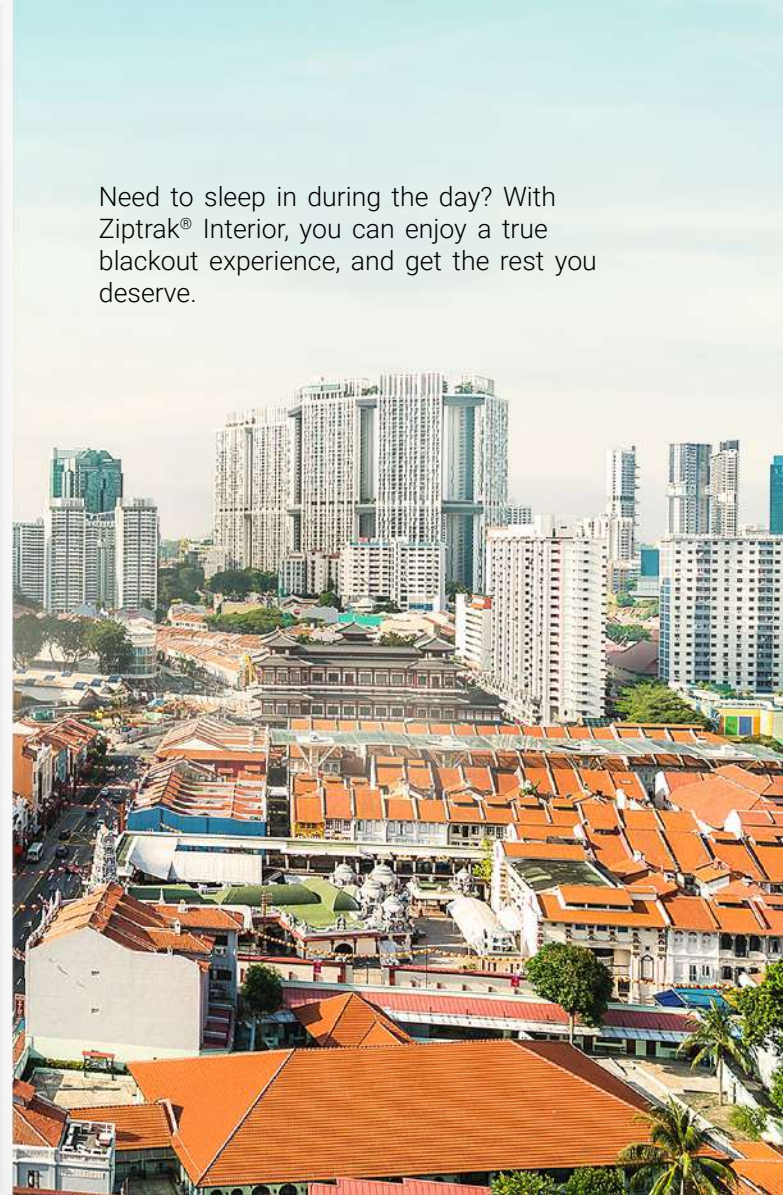

Low Maintenance

Need to sleep in during the day? With Ziptrak® Interior, you can enjoy a true blackout experience, and get the rest you deserve.

# Imagination is the Limit.

Ziptrak® Interior blinds can add to your home in a myriad of ways; be it an interior solution, a versatile replacement of wardrobe doors, or even at a statement piece.

With a bit of creativity, the sky's the limit!

## Bring the Boutique Home.

Motorised Ziptrak® Interior blinds, incorporated as a wardrobe system, allows fashionistas to view their entire collection at once by negating the need for traditional sliding doors. At the same time, these screens prevent dust from accumulating within the wardrobe.

## Turn Your Blinds Into Art Pieces.

Turn your blinds into beautiful feature pieces with a custom print fabric, or even photographs of your loved ones.

Choose from a wide variety of frame designs to complement your print and surrounding decor.

## Optimise Meeting Rooms.

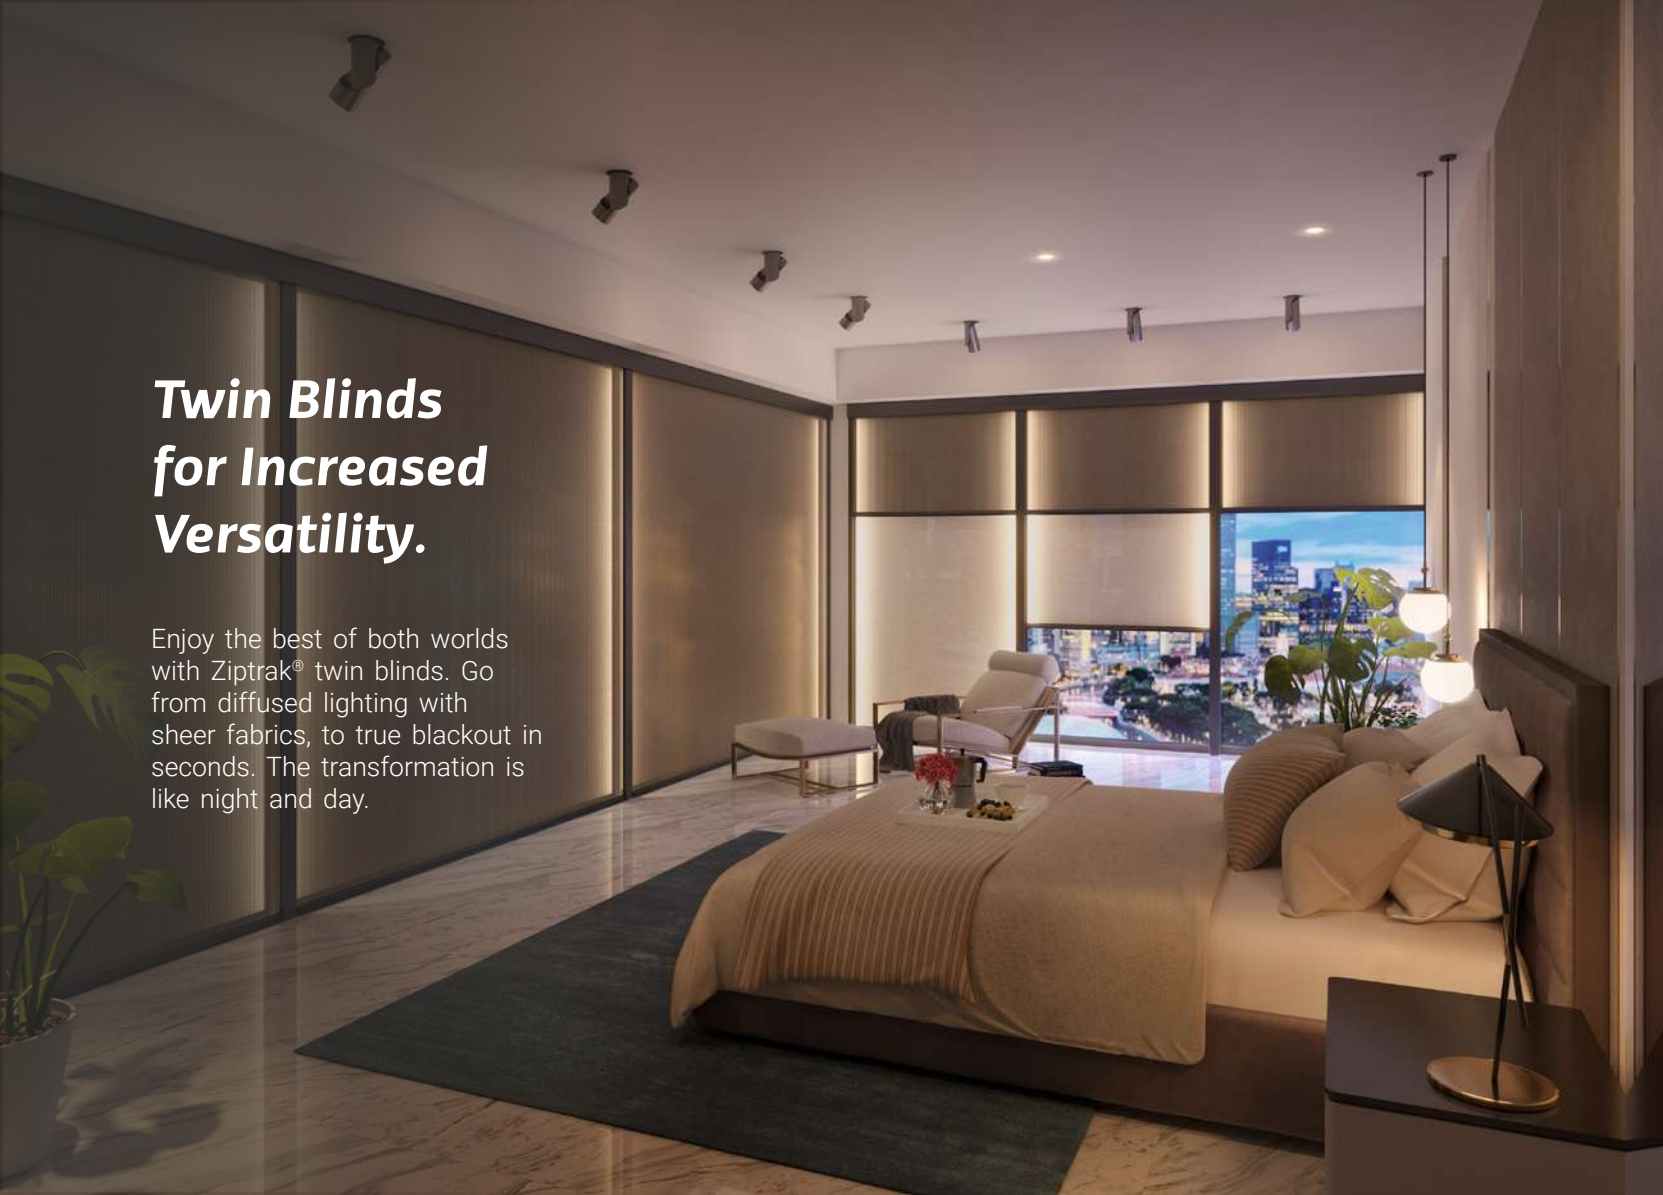

Ziptrak® Interior blinds can even be used as a projection screen, offering users enhanced light control, and the flexibility of using their interior space more efficiently.

## Enhance Your Gaming & Entertainment Experience.

The superior light protection offered by the Ziptrak® Interior system, coupled with high quality blackout fabric, offers homeowners the ability to enjoy the ultimate gaming or home theatre experience, right in the comfort of their own home.

A modern bedroom with large windows and twin blinds. The room features a bed with a beige duvet and pillows, a chair, and a table. The windows are covered with twin blinds, and the room is lit with recessed ceiling lights and a bedside lamp. The text "Twin Blinds for Increased Versatility." is overlaid on the left side of the image.

## ***Twin Blinds for Increased Versatility.***

Enjoy the best of both worlds with Ziptrak® twin blinds. Go from diffused lighting with sheer fabrics, to true blackout in seconds. The transformation is like night and day.

sheer blinds at  
various heights.

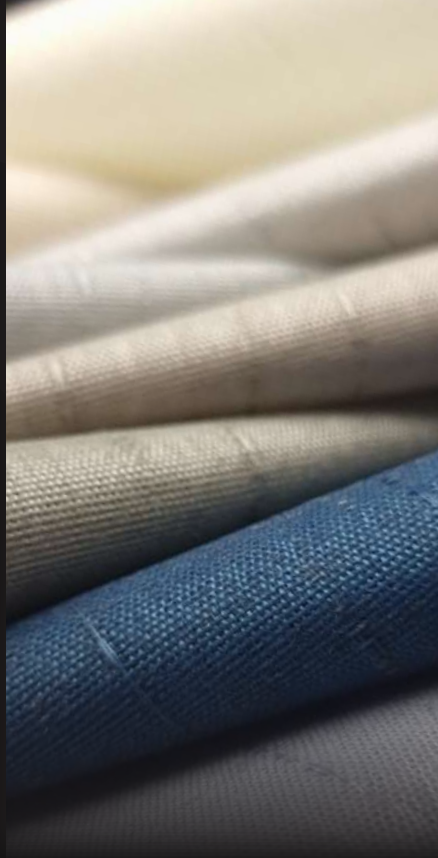

## **Be Spoilt for Choice.**

A home is an expression of self.

That's why, we offer homeowners a massive selection of fabrics (a whopping 120 fabrics, and counting) to choose from.

Have a special fabric you want to use? We can also customise your Ziptrak® interior blinds, just the way you want it.

The fabrics offered locally are categorised as:

### **Sheer**

Lightweight fabrics that offer a see-through effect similar to that of day curtains.

### **Lush**

As its name suggests, lush fabrics are typically heavier and offer privacy.

## Black Out

These fabrics are non-porous, blocking out the sunlight and UV-rays completely.

## VentiMesh®

Mesh-like fabrics maintain optimal ventilation, while keeping flying pests out.

## Customise Your Own Fabric!

Use any textile fabric with a fabric weight between 180g/m<sup>2</sup> and 600g/m<sup>2</sup>.

We offer fabrics that can be printed on - having a piece of art, photograph, or unique quotes are now possible with Ziptrak® Interior blinds.

# Create Your Perfect Match.

Pair your desired fabric with one of our extensive frame finishes and create the perfect match for your design aesthetic. *View the full range at our retailers' showrooms.*

---

## ***Adapted for Local Homes.***

Whether you live in a condo, flat or landed property, Ziptrak® Interior blinds can be adapted to fit your home.

### **Ziptrak® Interior Blinds With Invisible / Window Grilles**

For those seeking to install invisible or window grilles, Ziptrak® Interior blinds can be installed with these grilles, and enhance the look of your home.

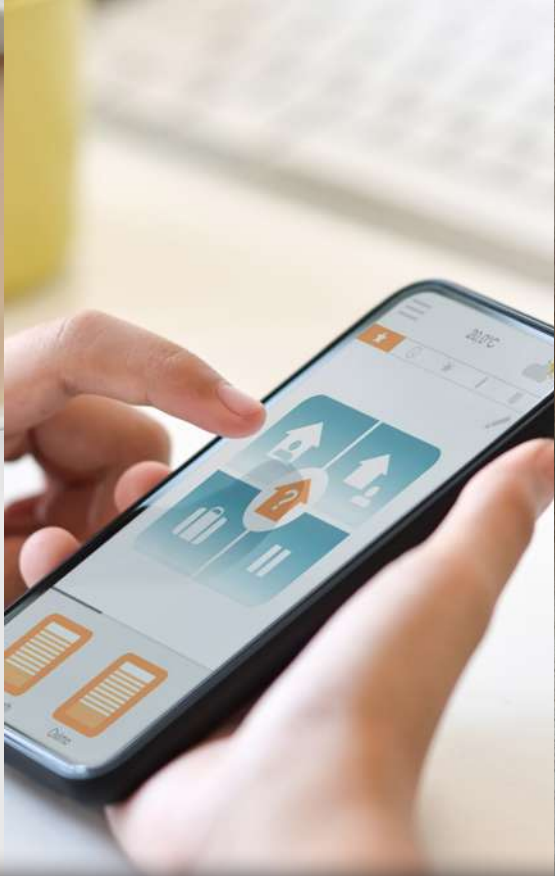

Manual  
**Fingertip Control**

Motorised  
**Remote Control**

**Mobile App**

**Voice Activation**

**Smart Home**

\* The above methods of operation may require the purchase of additional accessories.

# Ziptrak® Interior Summary

## Key Dimensions (Per Blind)

Min. Width: 500mm

Max. Width: 3,000mm

Max. Height: 2,800mm

## Fabric Requirements

180g/m<sup>2</sup> to 600g/m<sup>2</sup>

## Channel & Track Width

32mm to 42mm

(allowance for out-of-square)

## Slim Pelmet

75mm Pelmet for drops up to 1,700mm

95mm Pelmet for drops up to 3,000mm

## Manual or Motorised

To operate your blinds, simply pull down, or push up. It's that easy!

For even greater convenience, opt for motorisation.

## Slim Pelmet

As slim as 7.5cm for blind heights of up to 1.7m tall!

## Stops At Any Position

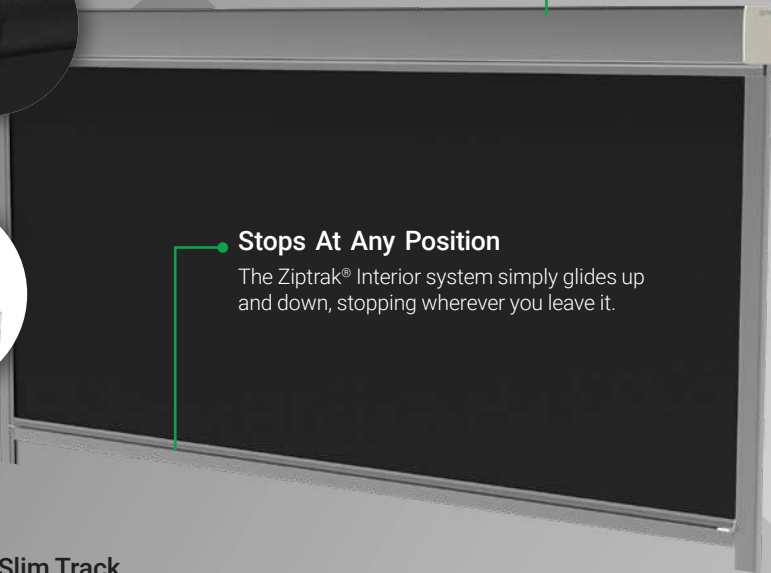

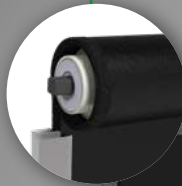

The Ziptrak® Interior system simply glides up and down, stopping wherever you leave it.

## Super Slim Track

Fabric edge is locked into small side tracks, providing superior light protection, and keeps pests out even with your windows open.

## No Silicon Required!

With its foam technology, silicon application is not required, negating the need for reapplications. Ziptrak's foam does not affect the original wall finishing.

# Design Your Blinds.

1

## Define Your Desire

Share your vision with one of our Ziptrak® Interior Retailers. If you have an interior designer or contractor, it's a good idea to bring them along for your appointment.

2

## Decide if you would like **Single or Double Blinds**

3

## Select Your **Frame Finish**

4

## Select Your **Fabric**

5

## Choose between **Manual or Motorised Operation**

If you're opting for a motorised finish, ensure that you have the necessary electrical points to accommodate it

6

## Arrange for **Installation**

Ziptrak® Interior works, like other soft furnishing, should be fitted towards the end of renovation works, as far as possible. Your Ziptrak® Interior retailer will be able to advise and arrange a suitable installation date with you.

## Ziptrak's Assurance

Ziptrak® Interior blinds come with a standard **2 years fabricator warranty** against manufacturing defects.

Do speak with your shortlisted Ziptrak® Interior retailer to understand their service warranty terms and conditions before making a purchase.
